Fancy a free weekend?

Have you considered stewarding? **Stewards get their weekend free.** All we ask is that you ensure all campers have valid membership cards by signing them in on arrival and collecting the fee for the weekend. You will need to be on site and be people's first point of contact for the weekend but that really is all there is to it. Coffee morning is customary but not compulsory. We have some weekends needing stewards as you will see so why not give it a go, and have yourself a free weekend? Further information is available from any member of the committee.
